2026 Call for Candidates

Dear Unit Owner,

The 2026 Annual Meeting of Unit Owners of The Elm at Clark Condominium Association is scheduled to be held on Wednesday, November 18, 2026, at 6:00 PM. As in previous years, the 2026 Annual Meeting will again take place by video conference. We will provide more details when the Annual Meeting package is distributed to all owners.

The primary purpose of this Annual Meeting is to elect three (3) directors to fill the three (3) expiring terms. The following Board members' terms are expiring: Ghassan Jaber, Susan Stephens, and Kenneth Suh. The three (3) candidates with the highest percentage of unit ownership votes will be elected for a two-year term.

A Candidate Information Form is enclosed with this notice. Owners who are interested in running for election to the Board should complete the form and return it to the Management Office. All interested and qualified candidates who submit a completed form will have their name included on the 2026 Election Ballot. A copy of all completed Candidate Information Forms received by the deadline will be emailed or mailed out to all unit owners. The Annual Election is an important process, and we encourage all owners to participate.
