The Elm at Clark Condominium Association

Dear Owners,

I am pleased to be running for the board and look forward to meeting you at the upcoming meet and greet. I graduated from Northwestern University with a BA in Organization Behavior and after many years in medical education, teaching, and curriculum coordination, at Northwestern Fienberg School of Medicine I decided to remain at home and raise our family.

I have served on the condo board at my previous home for about four years. I have also served on the board of the Chicago Chapter of the Preeclampsia Foundation and organized many fundraising and awareness initiatives such as their annual 5K and yearly gala. I went on to serve on the Women's Auxiliary Board at NorthShore University Health Systems, now known as Endeavor Health. I served on committees to fundraise for NICU families, public health research and helped coordinate the now discontinued American Craft Expo for many years. I have also served on committees at the local elementary school and high school.

I currently own two units at The Elm at Clark which I hope to eventually reside in with family. I am at the building often enough to appreciate the uniqueness of the property and what it takes to keep up, improve and fully participate in the running of such a home. Because I understand that The Elm is a home and not just an investment.

I hope to work with the board on expediting fiscal decisions and any needed improvements in a transparent and responsible manner that includes the participation of all owners, staff and management. Please consider supporting my bid to be on the board along with that of Mike Carsella, James Hamlin, Susan Stephens, and Ken Suh.

Sincerely,

Renee Ujiki
